THE SUMMER IS FINALLY HERE. YOU LOAD UP THE BOAT. FILL UP THE JET SKIS. GRAB THE KIDS AND HEAD TO THE LAKE. DID YOU REMEMBER THE MOST IMPORTANT THING? THE ONE ITEM THAT COULD SAVE YOU AND YOUR CHILDRENS' LIFE? A LIFE JACKET. WEAR IT AT ALL TIMES. IT COULD MAKE THE DIFFERENCE BETWEEN A LEISURELY DAY AT THE LAKE AND A DEVASTATING DAY AT THE LAKE. THE U.S. ARMY CORPS OF ENGINEERS WOULD LIKE YOU TO HAVE A GREAT TIME AT THE LAKE AND BE SAFE.

GOING TO THE LAKE THIS WEEKEND? GREAT. THE U.S. ARMY CORPS OF ENGINEERS HOPES THAT YOU HAVE A GREAT TRIP. BEFORE YOU HEAD OUT, MAKE SURE YOU HAVE STOCKED YOUR BOAT WITH A LIFE JACKET FOR EVERY PERSON ON YOUR VESSEL. IF YOU PLAN ON DRINKING, MAKE SURE YOU HAVE A DESIGNATED DRIVER. AND REMEMBER TO BE RESPECTFUL AND OBSERVANT OF OTHER BOATERS. THESE SIMPLE MEASURES DON'T TAKE MUCH EFFORT. AND THEY COULD SAVE YOU AND YOUR LOVED ONES' LIVES.

SUMMERTIME IS EXCITING. THOUSANDS OF FAMILIES CAN'T WAIT TO SPEND SOME TIME AT THE LAKE. BUT THE U.S. ARMY CORPS OF ENGINEERS IS WORRIED. EVERY YEAR WE SEE TRAGEDIES AT OUR LAKES. AND ALL OF THEM COULD HAVE BEEN PREVENTED. HELP THE CORPS OF ENGINEERS MAKE THIS SUMMER THE SAFEST YET. WEAR A LIFE JACKET. DON'T DRINK WHILE BOATING. AND BE RESPECTFUL TO OTHER BOATERS.
